

## Empowerment Grant Application

Delmarva Power and its partner Energize Delaware are pleased to announce a new grant program to support energy efficiency for customers of Delmarva Power. Energize Delaware Empowerment grant program will offer organizations up to \$1 million in funding for qualifying projects. The primary target population will be Delmarva Power Customers in Delaware whose households earn 60 percent, or below of the Delaware State median income.

**Prepare your RFP understanding the mission of Energize Delaware. The application is located online [www.empowermentgrantde.org](http://www.empowermentgrantde.org).**

These funds are being provided to support capable organizations in delivering energy efficiency programs to low-income ratepayers located in Delmarva's Delaware electric and gas service territory.

Applicant(s) receiving a grant award will accomplish one or more of the following in the Delmarva Power Service Area:

- Increase the energy efficiency of low-income Delaware households that contribute to statewide electric and gas savings.
- Engage with and inform low-income Delaware households about the benefits of efficiency and strategies available to them to achieve it.
- Develop a comprehensive community-based approach to address energy efficiency issues in low-income housing by mobilizing public and private sector resources, including grassroots, community-based, non-profit, and faith-based organizations.
- Ensure to the greatest extent feasible that job training, employment, contracting, and other economic opportunities generated by this grant will be directed to low-income persons in Delmarva's service area
