

Empowerment Grant Application

Delmarva Power and its partner Energize Delaware are pleased to announce a new grant program to support energy efficiency for customers of Delmarva Power. Energize Delaware Empowerment grant program will offer organizations up to \$100,000 in funding for qualifying projects. The primary target population will be Delmarva Power Customers in Delaware whose households earn 60 percent, or below of the Delaware State median income.

The application is located online www.empowermentgrantde.org.

These funds are being provided to support capable organizations in delivering energy efficiency programs to low-income ratepayers located in Delmarva's Delaware electric and gas service territory.

Applicant(s) receiving a grant award will accomplish one or more of the following in the Delmarva Power Service Area:

- Increase the energy efficiency of low-income Delaware households that contribute to statewide electric and gas savings.
- Engage with and inform low-income Delaware households about the benefits of efficiency and strategies available to them to achieve it.
- Develop a comprehensive community-based approach to address energy efficiency issues in low-income housing by mobilizing public and private sector resources, including grassroots, community-based, non-profit, and faith-based organizations.
- Ensure to the greatest extent feasible that job training, employment, contracting, and other economic opportunities generated by this grant will be directed to low-income persons in Delmarva's service area
